Printed Tiles

ABSTRACT.

The Abstract collection is screen printed on ceramic and just like the name suggests, it consists of modern prints which have a retro feel to them. It covers warm as well as cool hues and these two color story directions make this collection easily applicable to many ambiances. Different prints can be used together, repeated and rotated to create contemporary permutations.

'The Abstract Collection' is modern yet has a retro feel. This screen printed ceramic collection available in cool and warm hues broadens its usage for any ambience and interiors.

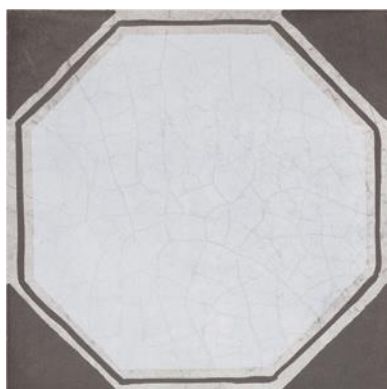

Combination of varied prints placed together repetitively create something contemporary, beautiful and artistic for your space.
