ARTWORK BY NIDHI MARYAM JACOB

Nidhi's work investigates the beauty of nature's evolution - the continual cycle of life, death, and rebirth. Being inside nature - surrounded by it - & feeling close to the earth's soil is a grounding force in both her life and work.

Projects

SAMPLING OF ARTWORK

A sample of a section of the artwork is being created in mosaic form, and it will be submitted to the client for their review and approval before proceeding further.
