Ikigai is a Japanese concept roughly translating into “a reason for being”. It is a lifestyle that strives to balance the spiritual with the practical.

Here, at Ikigai by FCML, we aim to design that perfect balance by doing:

- What we love- What we are good at-
- What improves the world around us

Our mission is to integrate aesthetics with functionality and make you reimagine tiles as a surface.

And what’s more, each and every one of our tiles is sustainably designed and custom-created for you, right here in India #MadeInIndia

#MadebyFCML #MadeForYOU

If you can dream it, we can do it. Tile by design.
