LET'S CREATE INSPIRED WORK TOGETHER

KOKORO

Taking inspiration from the wonder of everyday things, 'Kokoro' features ceramic and carved tiles in neutral tones.

The Japanese word 'Kokoro' has no exact english equivalent. It can be translated to mind, heart, emotions and feelings-- all at once.

Our collection captures this spirit, showcasing simple base tones to fit into any narratives. 'Kokoro' brings the heart of materials to the places you live in.

- Metallic tones
- Dual Tone
- Kokoro mix
- Metallic quilt
- Long hex
