BLUE POTTERY *henna*

Blue pottery themed, henna styled collection originated from Arab, Iran, Iraq, Pakistan and finally settled in Royal patronage of India. The synthesis of the motifs are native repertoire of simple geometric, plant-based and ornamental designs. Just like henna, the print has a dark and detailed outlining followed by delicate strokes of colour palette which is derived from the shades of blue, cobalt, green, copper, white and also some other non-conventional colours, such as yellow and brown. Reinvent elegance with these tiles to highlight walls indoors, outdoors and swimming pool area.
