

The book cover features a central rectangular area with a beige, textured, paper-like appearance. This central area is set against a background of a vibrant, multi-colored marbled pattern. The marbling consists of swirling, organic shapes in shades of deep blue, bright orange, and light grey, creating a complex and visually rich texture. The overall composition is balanced and aesthetically pleasing, typical of a decorative book cover.

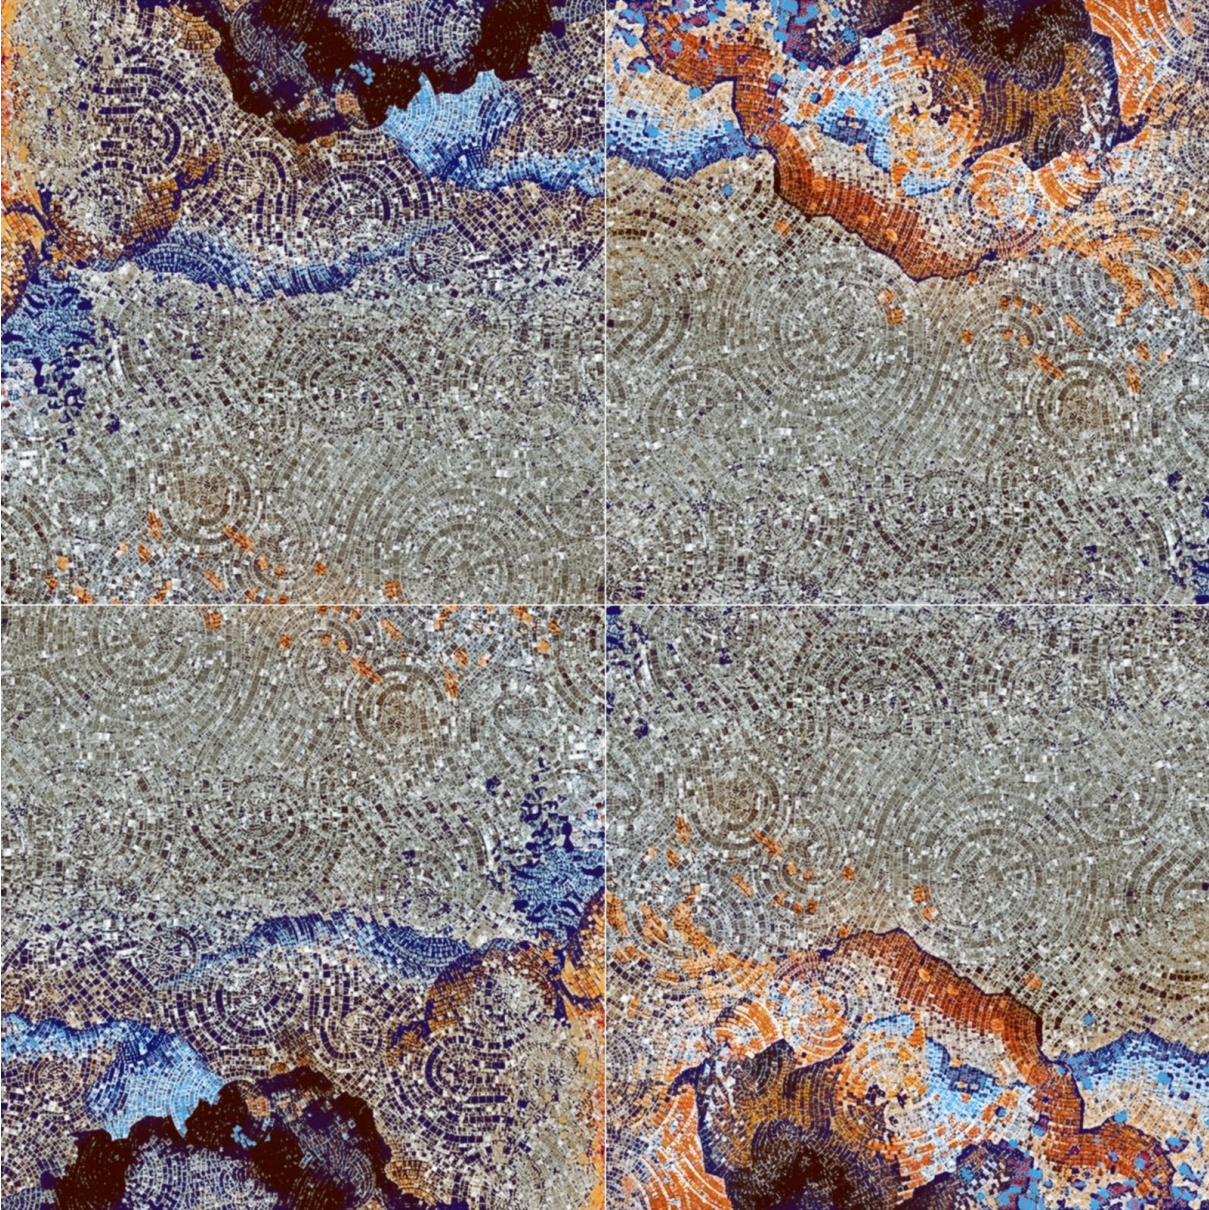

TILE TAPESTRY

# Tile Tapestry

Tile Tapestry is inspired by the timeless art of mosaics, reimagined with abstract swirls, earthy tones, and textured depth to create a modern design statement. Its balanced blend of muted greys, indigo blues and rustic browns evokes the charm of handcrafted tessellations while adding a contemporary twist. Ideal for bathrooms, living rooms, accent walls and hospitality spaces. Tile Tapestry transforms interiors into artistic experiences where history meets modern luxury. More than just a surface, it is a canvas that celebrates tradition, texture and timeless elegance.
