

The background features a repeating geometric pattern. It consists of a grid of octagons and squares. The octagons are arranged in a staggered fashion, creating a honeycomb-like structure. Each octagon contains a stylized, multi-petaled flower or star shape in a light blue-green color. The squares, which fill the spaces between the octagons, also contain smaller, simpler floral motifs in the same color palette. The entire pattern is rendered in a light, muted tone against a cream or off-white background, giving it a delicate and classic appearance.
